

TUSCANY PHOTO AWARD CIRCUIT 2026

FOREWORD

IMPORTANT: FIAP PROFILE NUMBER (FP)

From 1 January 2026, anyone participating in contests with FIAP Patronage must include the FP number (FIAP Profile) in their personal participation data.

The FP number is not the FIAP membership number, but is a number assigned by the MyFIAP platform that can be obtained quickly and automatically at the following link:

<https://www.myfiap.net/user/register/fp>

Please do not use the following characters:

Şş Ğğ Çç Ññ Õõ Àà Ää Ââ Éé Èè Êê Ëë Óó Òò Öö Öö Øø Ôô Ùù Üü Ýý Îî Ïï ß Ćć Čč Žž Đđ

Image titles must not exceed 35 characters including spaces.

For the name, it is possible to use only the alphabet from A to Z (see above the letters not accepted) and the numbers from 0 to 9.

The title of the photos must not exceed 35 characters including spaces.

This photographic circuit is open to all; however, a registration may be refused if the sponsoring federations and/or the organizers, at their reasonable discretion, deem that such registration does not comply with the rules of the event and these conditions of participation. Membership in any photographic organization is not required.

A maximum of 4 works can be submitted for each theme. For a maximum total of 16 Photos. Images already accepted in previous editions are not permitted.

Photos submitted in one theme cannot be submitted in other themes.

Photos submitted in color cannot be submitted in black and white and vice versa.

Digital images, of all themes, must be in JPG format; the size must be 1920 pixels on the longest side (the shortest side is free), with a resolution of 300 dpi (maximum 4 Mb), in both color or monochrome formats. Files must be saved with the sRGB color space.

Images without valid titles will be rejected and participants will be asked to re-submit with valid titles.

As the organizers, as described above, we assume responsibility for ensuring that the management program correctly names the files, provided that the registration form is filled out completely and correctly. The organization will not be held responsible if the registration form is not filled out correctly.

Submitting images without a title or with the wording "untitled" is prohibited.

It is strictly forbidden to include your name, surname, membership number, signatures, initials, special symbols, or any other information that could in any way lead to the identification of the author on the photo or in the title.

Failure to comply with these rules will result in disqualification from the competition without the right to a refund of the fee paid.

There are no special requirements for file names, the file name should be as you would like it to appear in the catalog, the programming system will arrange the file name as required for the minutes. However, it is mandatory to correctly fill in all the required fields when filling out the form.

The images will not be presented to the judges consecutively as numbered by the participants, but will be distributed during the four evaluations in the section in which the author has entered them. The distribution of the images will be in the same order sent by the participant.

The images participating in the event must be sent using the appropriate form on the website www.foto4.org

All images participating in this event are protected by copyright.

Each author is personally responsible for what is the subject of the image and authorizes its publication. By participating in the Circuit, the author authorizes, without profit, the publication of his/her images (full or partial) in catalogs, projections, websites, magazines and anything else that the organizers and sponsoring bodies deem necessary for the purposes of promoting the Circuit itself.

Executive Chairman, persons closely involved in the organization of the circuit and persons in charge of the handling of the circuit software are not allowed to participate in the circuit.

10) DEFINITIONS

Color Photo

Images in this section must be in color, a grayscale image is not considered color. A grayscale image with the inclusion of one or more colors is considered color.

An image with a color tone in addition to black or white is considered color.

This theme does not require the submission of RAW files, unless the judges, sponsoring Federations, or organizers deem the image to be generatively created.

FIAP Monochrome Definition

A black and white work ranging from very dark grey (black) to very light grey (white) is a monochrome work with various shades of grey. A black and white work that is entirely shaded in a single colour will remain a monochrome work that can be placed in the black and white category; such a work can be reproduced in black and white in the catalogue of a

FIAP Patronage salon. A black and white work modified by partial toning or the addition of a colour becomes a colour work (polychrome) that can be placed in the colour category; such a work requires colour reproduction in the catalogue of a FIAP Patronage salon. This theme does not require the submission of RAW files, unless the judges, sponsoring Federations, or organizers deem the image to be generatively created.

Landscape Photos

This category is generally a photograph that captures the presence of reality and can include sea, oceans and even underwater water. It can have artificial features (e.g. city skylines) or disturbances in the landscape (e.g. pylons) with or without people in the photo. Urban and/or extra-urban landscapes are allowed.

Color and monochrome images are accepted in this section.

This theme does not require submission of RAW files, unless the judges deem the image generatively created.

Photos of Life

Life means human life, with moments of daily life that depict people, events, phenomena, life itself. It shows people in all situations, such as daily life, traditions, portraits, men, women, children, single or group people, people at work, people on the street, people at home, people in the factory, social events, human relationships, etc. The main subject in the photo must be one or more human beings, even if accompanied by structures, animals or plants. Color and monochrome images are accepted in this section.

This theme does not require submission of RAW files, unless the judges deem the image generatively created.

11) NOTICE TO PARTICIPANTS

NOTICE: When participants complete the entry form to submit their entry, they will see the following function to affirm that they have read these Conditions of Entry 'I confirm that I have read, understood and accept the Conditions of Participation in this circuit.

'I hereby expressly accept the FIAP document 018/2017 'Conditions and regulations for FIAP patronage' and the FIAP document 033_2021 'Penalties for violation of FIAP regulations and red list'. I am particularly aware of Chapter II 'Rules and Regulations for International Photographic Events under FIAP Patronage' of FIAP document 018/2017, which deals in Section II.2 and II.3 of the FIAP Rules of Participation, with penalties for violation of FIAP regulations and red list.'

Failure to agree will result in the application not being accepted.

12) CERTIFICATION

By submitting an image, the entrant certifies the work as his/her own (images may not incorporate elements produced by others, e.g. clip art, images or drawings downloaded from the Internet). Aliases are not permitted. The entrant allows the organisers to reproduce all or part of the entered material free of charge for publication and/or display in contest-related media. This may also include publication in low resolution on a website.

Note: Participants who indicate that their images cannot be reproduced or used 'will not be awarded' or included in the contest audiovisuals 'and may be subject to disqualification' by the contest organisers. The organisers accept no responsibility for any misuse of copyright. Alteration and computer generation.

Subject to restrictions, images may be altered, electronically or otherwise, by the producer. Adjustments are permitted to enhance images or creatively modify images, provided that the underlying photograph is preserved in a way that is obvious to the viewer. Images may not be constructed entirely by computer and must be the exclusive work of the author. All parts of the image must be photographed by the author who holds the copyright to all submitted works.

13) **ACCEPTANCE OF FIAP RULES**

Images created by artificial intelligence are not permitted in contests run under the auspices of the FIAP.

IMAGES CREATED BY ARTIFICIAL INTELLIGENCE ARE NOT ALLOWED IN THIS CONTEST! Please note that all parts of the image must be photographed by the author who holds the copyright to all submitted works. Violators will be sanctioned for life!

14) **ACCEPTANCE OF FIAF RULES**

Participation in the competition, by simply submitting photographs to the organizers, constitutes full and unconditional acceptance of these regulations, as well as the FIAF Competition Regulations, and in particular, but not limited to, full and unconditional acceptance of Chapters 4 (Eligible Works) and 5 (Sanctions) with all their paragraphs. Participants are reminded that participation in the Nature, Travel, World in Focus, Reportage, Journalism, and/or "Traditional" (TRAD) sections presupposes the availability of the RAW files of the submitted photographs and compliance with the rules governing their provision to the Competition Control Commission, should the submitted photographs be subject to verification of compliance with the FIAF Competition Regulations. The full text of the FIAF Competition Regulations, which it is the participant's responsibility to know, is available on the FIAF website (www.fiaf.net) and can also be requested by email from FIAF itself at: Dipartimentoconcorsi@fiaf.net. Participants in the Competition, both FIAF members and non-members, grant FIAF the right to manage their participation data and the works submitted, both for the purposes of managing FIAF Statistics and the FIAF websites dedicated to collecting and disseminating the results of the Competitions it Sponsors and Recommended and the related awarded and admitted works."

By participating in the competition, the author, whether or not a member of FIAF, grants the organizing association and FIAF the right to archive and reproduce their awarded and accepted works in catalogs, other publications, and websites promoting the event and the dissemination of photography.

By participating in the competition, the author, whether or not a member of FIAF, grants the organizers the right to use their email address for publicizing future editions of the competition and to FIAF for disseminating their work to other organizers.

EXIF data retention is mandatory for all works accepted from 2025 onward and for unpublished submissions. It is desirable to retain such data for works already accepted prior to 2025.

15) **FIAF RESTRICTIONS**

In light of the FIAF Contest Rules in force as of 1st January 2025, images that have been admitted in years prior to 2024 may also participate in this initiative. However, please note that any admissions obtained with these images, while not incurring penalties, will not be counted in the FIAF Statistics.

For the sake of completeness, please note that only images that may have had previous admissions in the years 2024, 2025 and 2026 will be counted in the FIAF Statistics, as well as, of course, unpublished images.

16) **DATA PROTECTION**

By entering this circuit, you explicitly consent that the personal data you have provided, including physical addresses, e-mail addresses, are held, processed and used by the circuit organisers for purposes associated with this exhibition. You also explicitly consent to this information being sent to organisations that have granted official recognition, sponsorship or accreditation to this circuit. You acknowledge and agree that by accessing this circuit, your participation status including your first and last name, the name of the country used when registering for the circuit, the number of sections entered and the number of photos entered

in those sections will be made public in a published status list and that the results of your entry will be made public in the circuit's gallery, circuit catalogue. You also accept the policies regarding violations of FIAP, GPU and FIAF rules.

17) PRIVACY

We inform you, in accordance with Articles 13 and 14 of EU Regulation 2016/679 of 27/04/2016, hereinafter referred to as GDPR (General Data Protection Regulation), that the personal data provided in the context of the Tuscany international photography contest will be collected and recorded by the Foto 4 Association - on paper, electronic and/or computer and/or telematic media - protected and processed in such a way as to ensure security and confidentiality in accordance with the provisions of the GDPR. We hereby inform you that the data provided will be used solely for purposes strictly connected with and instrumental to the event. To this end, as part of the Initiative, your data may be published online on the contest website (www.foto4.org) and/or in the contest catalogue. The provision of data is necessary in order to participate in the contest. We would like to inform you that you may exercise your rights as a data subject pursuant to art. 15 of the GDPR (including, purely by way of example, the rights to obtain confirmation of the existence of data relating to you and its communication in an intelligible form, indication of the processing methods, updating, rectification or integration of the data, cancellation) by means of a request addressed without formalities to the Data Controller. The data controller is the Associazione Culturale Fotografica Dyaphrama, with registered office in Viale Bianca Pampaloni 56, Figline e Incisa Valdarno through its president, pro tempore, Sabina Broetto.

18) ORGANISATION

The organization, while ensuring the utmost care in the handling of the files received, declines all responsibility for any damage or loss, from whatever cause.
